

# RAYMOND ALEX HINDS

---

## PROFESSIONAL SUMMARY

Newly graduated and ambitious Web Developer bringing enthusiasm and detailed understanding of various programming languages to webpage planning, development and maintenance. Experience designing and developing sites from concept to roll out. I am efficient and self-motivated and looking for a new challenge to learn and work hard. I have excellent communication skills with keen attention to detail and the ability to work well with others as well as with little or no supervision. Seeking the opportunity to showcase my skills as well as learn new ones.

---

## EDUCATION

## **WORK HISTORY**

### **Hybrid Operator, 11/2019 to 07/2020**

#### **Oasis Data Management - Crickhowell, Powys**

- Handled 1000s of patient data entry and scanning using Box-IT software for accurate surgery records.
- Importing 100s of surgery records from excel spreadsheets to database and ensuring data integrity.
- Liaising with clients to understand any concerns, documents or records that are required.
- Moved client records around warehouse using different machinery, always ensuring adherence to health and safety policies.
- Checked in client records, logging and filing accurate paperwork for data inventory.

### **Waiter, 10/2017 to 10/2019**

#### **The Bear Hotel - Crickhowell, Powys**

- Assisted customers with menu selection, offering knowledge of current special dishes and personal recommendations to build rapport.
  - Processed cash and card payments promptly, minimizing customer waiting times and enabling swift table turnarounds.
  - Checked in with customers during meals to check orders were received correctly and met guests' expectations.
-
